

IN THE CLAIMS

Please amend the claims as follows:

1. (presently amended) An improved cleansing brush, ~~Improved Cleansing Brush~~ comprising:

a cleansing head;

a first rigid elongate tubular member ~~body~~;

a second rigid elongate tubular member ~~body~~;

a joint assembly having a first disk and second disk ~~portion~~;

a first resilient grip handle;

a second resilient grip handle;

said joint portion comprised of a first disk member and a second disk member;

said first disk member including an embedded ~~imbedded~~ standard spring biased ball plunger assembly;

said second disk member including a plurality of radially displaced apertures capable of receiving said ball;

said first disk member having a centrally located aperture;

said second disk member having a centrally located threaded aperture;

said first and second disk members held together by a threaded screw;

said first elongate member ~~body~~ attached at one end to said first disk of the joint assembly ~~member~~;

said second elongate member ~~body~~ attached to one ~~on~~ end of said second disk of the joint assembly ~~member~~;

said first elongate member ~~body~~ terminating at its opposite end in said first grip handle; and

said second elongate member ~~body~~ including said second grip handle near its connection with said joint assembly member ~~a said second grip handle~~.

2. (presently amended) The improved cleansing brush as recited ~~Improved Cleansing Brush as claimed~~ in claim 1 wherein said second elongate member includes an aperture to removably receive a shaft portion of said cleansing head, said cleansing head shaft including a spring biased push button that can snap into said aperture in said second elongate member, thereby removably retaining said cleansing head.

3. (presently amended) The improved cleansing brush as recited ~~Improved Cleansing Brush as claimed~~ in claim 1, wherein the cleaning head is further comprising a sponge ~~type~~ cleansing head.

4. (presently amended) The improved cleansing brush as recited ~~Improved Cleansing Brush as claimed~~ in claim 1, wherein the cleaning head is further comprising a brush ~~type~~ cleansing head.

5. (presently amended) The improved cleansing brush as recited ~~Improved Cleansing Brush as claimed~~ in claim 1, wherein the cleaning head is further comprising a cloth covered sponge ~~type~~ cleansing head.

6. (presently amended) The improved cleansing brush as recited
~~Improved Cleansing Brush as claimed in claim 1, wherein the~~
cleaning head is further comprising a nylon net type cleansing
head.
